

Message from the General Chair

ISAIEE 2022

This proceeding contains papers presented at 2022 3rd International Symposium on Advances in Informatics, Electronics and Education (ISAIEE 2022) was held from December 17 to 19, 2022 in Frankfurt, Germany. The highly multidisciplinary conference brought together all experts, researchers and innovators from business, industry, academia and government agencies to discuss concepts and experimental results.

We would like to thank the related chairs and the session organizers for their management of the presentations. We also appreciate all contributions and cooperation by the committee members, sponsoring societies and organizations towards the success of the conference. We do hope that the conference will highly be successful and fruitful to all participants and that you will fully enjoy the conference in both its technical and social aspects at Informatics, Electronics and Education.

This year we received over 363 paper submissions and 138 high-quality papers were accepted as oral or poster presentations. Each contributed paper was rigorously peer-reviewed by reviewers who were drawn from a large pool of technical committee members as well as other international reviewers in related fields.

We would like to thank all the authors and attendees for participating in the conference. We hope you have a stimulating and fruitful time at the conference, and memorable experience in Frankfurt city.

General Chair

Prof. Francesco Aggogeri, *University of Brescia, Italy*
